Photos will be taken professionally this year by Jennifer Impey. Information can also be found on our website under our show tab. Please print and fill out the form and have your payment enclosed on the day of dress rehearsal. The skaters will need to have their form and payment in hand at the time of the photo. Photos will be taken downstairs at Cheel immediately following their practice time.

Please be sure to arrive in plenty of time for your specific time slot. As you can see we are on a tight schedule. Each group number will have their own time slot and they need to be in costume **PRIOR** to taking the ice. Their group will be the only one on the ice for their designated times. They have pictures immediately following practice.

If you have any questions between now and the ice show please don't hesitate to ask.

We are always looking for volunteers to help in any way they can. Your time donated is very much appreciated. Looking for people to help set up on the 22<sup>nd</sup> during dress rehearsal. We will also need help taking down after the show. If you are willing to stay to help, that would be great!
