Photos will be taken professionally this year by April Sharlow. Flyers will be available soon and will be found on our website (Potsdamfsc.org), and in the office. You should also receive an email when available. Extra forms should be available the day of dress rehearsal as well. Please be sure to have your forms completely filled out and payment enclosed on the day of dress rehearsal. The skaters will need to have their forms in hand at the time of the photo. Photos will be taken downstairs in one of the locker rooms at Cheel. Even if you are not purchasing a photo you should be in the picture.

Please be sure to arrive in plenty of time for your specific time slot. As you can see we are on a tight schedule. Each group number will have their own time slot and they need to be in costume **PRIOR** to taking the ice. Their group will be the only one on the ice for their designated times. They have pictures immediately following practice.

If you have any questions between now and the ice show please don't hesitate to ask.

We are always looking for volunteers to help in any way they can. Your time donated is very much appreciated. Currently looking for people to help set up and clean up for the show. The more the better! If you are willing to help, that would be great!
